

The Hidden door under the school.

Characters:

Nova, Izumi, Aiden, Sola, Rei.

Chapter 1: The detention class.

One day after school had finally ended, five students met in the detention room: Nova, Izumi, Sola, Aiden, and Rei. They were arguing about who was the one who pulled off the fire alarm.

Sola: "Have any of you heard about the secret hidden door in the basement?"

Izumi: "Yes, I did. It sounded scary!"

Nova: "I think it is a myth, because no one had ever seen it in person."

Aiden: (scoffs) "Come on everyone knows that it is just a story to scare people."

The group decided to go down to check it out.

Aiden: "See? It is just a story!"

Suddenly a door appears and it glows slightly.

Rei: "Really? Then this shouldn't be happening..."

Just before anyone could react the door burst open and white light started coming out of it.

Izumi and Sola: "Umm...Guys...?"

Then the group gets swallowed inside.

Chapter 2: The secret library

The group is on the floor dizzy.

Nova: "Ugh...my head."

Rei: "Is everyone okay?"

Sola: "Yeah, I am good. Only my back hurts."

Izumi: "What is this place..?"

Everyone got up to look around and they see themselves in an ancient library.

Then, an elf levitates to them.

Elf: Hello, new mortals. It looks like the library has chosen you for the next generation of witches and wizards.

Nova: "What do you mean 'witches and wizards?'"

Elf: Every year a group of teenagers are chosen to balance out the world from evil. But this year the king of evil is more powerful than his ancestors. His name is Bolg.

Chapter 3: The league of villains

Aiden: "Whoa, whoa, whoa. Who said we wanted to participate in this fantasy?"

Elf: "Well, the heart of the library chose you to be the next generation of witches and wizards."

Izumi: "Cool! Now where do we start?"

Elf: "First, try to read a book in the library."

Aiden: "NOOO! I hate books, they are so boring!"

Rei: "Okay, so... where do we start?"

But the elf had already vanished.

Nova: "Okay... Everyone try to find a book."

1 Hour later, Nova finds something.

Nova: "Hey guys! Check this out! I found a magical book."

Izumi: "REALLY! What does it say!? READ IT!?"

Nova: "It shows here how the villain monarchy started and how the world chose a group of teenagers to protect the world."

Elf: " And that is when you are going to get selected for your type of witch or wizard."

Chapter 4: The selection

Our friends gathered themselves to have their selection.

Elf: "Rei!"

Rei comes forward the fairy and sits on the chair the elf placed for him.

Elf: "You are becoming a WIZARD."

Izumi: (clapping) "WOOHOO, THAT'S MY BROTHER!"

Elf: "Aiden!"

Aiden: "Come on! Everyone knows I will be a wizard!"

Elf: "And you are becoming a WIZARD."

Aiden: "As suspected!"

Elf: "Sola and Izumi, you guys are becoming witches!"

Sola and Izumi: "YAY!"

Elf: "And finally Nova."

Nova comes to the front and sits on the chair.

Elf: " And you are becoming a... That's weird."

Nova: "What's wrong?"

Elf: "It appears that you are not a witch nor a wizard."

Nova: "So... What am I then?"

Elf: " It appears that you're not only a wizard. You are a wizardess
AND a sorcerer."

Izumi: "CONGRATULATIONS NOVA!"

Aiden: "HEY! That's not fair. Why does she get to have two
transformations but we only have one?"

Elf: "Not only is she a wizardess and sorcerer, she is also the
leader of the group."

Aiden: "Oh great!"

Elf : "It is time for me to go and that you guys save the world."
And the elf levitates the same way she arrived.

Chapter 5: Face your fears.

The teenagers are looking around and Izumi finds a scroll.

Izumi: Guys i found a scroll and it is saying something on it."

Rei: "What does it say Izumi ?"

Izumi: "It says 'Face Your Fears To Continue Your Journey'"

Aiden: "Oh-kay, so... who would like to admit their fear first?"

Izumi: "I am afraid of being alone."

Aiden: "I am afraid of spiders."

Sola: "I am scared of injections."

Rei: "I hate heights."

Izumi: "And, what about you Nova?"

Nova: "I hate socialising."

The scroll starts to fade away.

Aiden: "Hey, where did it go?"

Out of thin air it wrote in golden letters: YOU HAVE TO FACE YOUR FEARS.

Suddenly the floor opens and the group falls down.

And before anyone could realise they were facing their phobias.

Nova was completely frozen in place when she realised she was in front of so many people and she had to socialise. Sola had to take injections. Rei had to jump off a height without being scared and without having hesitation. Izumi had to be alone and not freak out. And Aiden had to stay in a room full of spiders and not scream at all.

All three of them were freaked out and didn't know what to do.

Until they all took a deep breath and they conquered their phobias one by one and they met again in another room.

Izumi: "Phew, thank goodness it is over. I thought I would pass out."

Sola: "Me too."

Nova: "Okay, so what is the next phase?"

The thin air turns into a golden writing again. It said: Pick your wands.

Izumi: "Yay! I will choose the pink one. It looks so cute!"

Sola: "I will take the wooden yellow one, it looks nice."

Aiden: "Ugh, fine, I'll take the red one."

Rei: "I'm taking the blue one."

Nova is still searching for a wand and then something catches her eye. She picks it up. It is a wand. But not like any other wand, it was all rainbow with diamonds at the bottom.

Nova: "Hmmm... I will take this one."

Chapter 6: Time for serious spells.

Suddenly the entire building started shaking and everyone held onto anything they found. The building crumbles down, leaving everyone dusty. And before they knew it they were in front of Bolg and his army of trolls. The group only had one idea in mind: RUN! The kids ran with all their might. But suddenly, Sola trips and falls but the other teens don't see her. Sola really thought it was the end, until she felt a hand reaching to her. It was Nova, she slumps sola arm over her shoulder and runs pretty fast for a 16 year old. The kids reunite behind a piece of wall and they had to come up with a plan.

Aiden: "Yeah but before we come up with a plan, we don't even know how to use our wands."

As soon as he finished his sentence, a troll was about to crush his head.

Nova slowly raises her wand. "Flamiosa!" she yelled.

Suddenly the troll caught fire and burnt to ashes.

Everyone turned to Nova.

Rei: "Whoa. How did you do that?"

Nova: "Well while we were still in the library, I found a book that showed that we can use a spell for anything but it should have 'iosa' at the end.

Rei: "So we can have any word for a spell and put 'iosa' at the end?"

Nova: "Yes."

Aiden: "In that case."

They get out of the wall and they each have posts.

Nova: "Okay guys, you take down the trolls and I will go for Bolg.

Everyone else: "Okay Nova!"

Chapter 7: Bolg's reign ends here.

While everyone was literally fighting for their lives, Nova was sprinting toward Bolg, not knowing that Bolg looked more powerful than he looks. Nova was about to release a bolt charge, she got frozen mid air.

Bolg: (Laughing) "You kids are really reckless."

BOOOOOOOOM!!!!

Nova gets propelled and crashes into three walls!(That must hurt.)

The teens stare in shock as Nova is crashing into walls. Everyone was frozen in fear.They burn the last trolls and rush to Nova, worried.

Sola: "Nova! Are you okay?!"

Nova: "Yeah... I'm good. Only my back hurts."

Rei: We can't fight Bolg one by one. Which means, we have to fight him together."

Izumi: "I like the way you're thinking big bro."

Nova: "Then let's do it together!"

After hours of burning and freezing trolls, the group had finally made it to Bolg.

Aiden: Guys... I wanted to say that if we don't make it out alive, I am the one who pulled the fire drill!

Bolg had been yeeted to the sky and it twinkled like a star.

The kids looked at each other knowing that their kids will carry the same faith in them now.

The End!

Thank you Mr. Akram for making me do the story.
